INCLEMENT WEATHER

➤ If it is raining, we proceed at camp as normal unless there are heavy downpours and/or thundering and lightening. At that time, a Camp Director will make a decision on how best to proceed following all emergency protocols per YMCA CCG guidelines. (Policy/procedure dictates that we wait a ½ hour after each strike of lightening and/or thunder before resuming regularly scheduled camp activities).

YMCA CAMP CAMPBELL GARD BEHAVIOR MANAGEMENT POLICY

➤ Campers are expected to abide by the camp rules and live by our core values: Caring, Honesty, Respect, Responsibility, and Faith. It is our policy to use a three-step process when dealing with behavior challenges:

1). Verbal Warning 2). Behavior Agreement with his or her Counselor 3). Conference with a Camp Director

Severe behavioral incidents will result in a phone call home and may require bypassing the three-step process and moving directly to a conference with the Camp Director. **Any child being verbally abusive or "bullying" another camper may be sent home.**

Bullying is absolutely not tolerated. Parents of campers who are sent home must make arrangements for their child to be picked up immediately after being contacted. **Campers sent home because of behavioral problems will not be entitled to any refund of fees.**

SKILL GROUPS FOR HORSE CAMPERS

- This program is geared toward beginner level riders, so groups may be working on anything from mounting and dismounting to walking patterns, to individual trotting or group trotting. Each group may be different and as our number one priority is safety, each group will work on skills appropriate for their level. There will be a total of up to 12 children in this program.

Group riding times are pre-set and each group will have the same amount of time on the horses. Campers will have at least a one hour riding lesson each day; the remainder of the time at camp will be spent learning how to take care of their horse.

Please note that since this program is geared toward beginner level riders, the first day of camp will involve a safety orientation, grooming and tacking, and how to handle the horses.

Some groups may not begin riding until the second day of camp.
