Welcome to SUMMER CAMP at CAMP CAMPBELL GARD – Where we offer the ultimate camp experience!

Summer camp is about learning skills, developing character, making friends, and having fun! Few environments are as special as YMCA Camp Campbell Gard, where children become a community as they learn both how to be more independent and how to contribute to a group. CCG teaches self-reliance, a love for nature, and the development of practices that build leadership, which goes hand-in hand along with the fun of campfires, swimming, canoeing, archery, House Games, and many more activities. At the core of our program are clinics and fun fests. Monday, Wednesday, and Thursday campers will choose which clinics they want to participate in. These clinics allow the camper to develop skills in those activities throughout the week. Funfests are one-time activities that the campers choose from on Tuesday and Friday. Our camp counselors are dedicated to making sure summer camp is a life changing experience for every camper. CCG helps campers increase positive self-images, behaviors, and confidence – all while supporting deeper friendships and bonds. **Please feel free to call us any time with questions at 513-867-0600 as we look forward to seeing your child at camp this summer! Your friends @ YMCA Camp Campbell Gard**

YMCA Camp Campbell Gard Behavior Management Policy

➤ Campers are expected to abide by the camp rules and live by our core values:

Caring, Honesty, Respect, Responsibility, and Faith.

It is our policy to use a three-step process when dealing with behavior challenges:

1. Verbal Warning 2. Behavior Agreement with his or her Counselor 3. Conference with a Camp Director

Severe behavioral incidents will result in a phone call home and may require bypassing the three-step process and moving directly to a conference with the Camp Director. **Any child being verbally abusive or "bullying" another camper may be sent home. Bullying is absolutely not tolerated.** Parents/Guardians of campers who are sent home must make arrangements for their child to be picked up within three hours of being contacted.

Campers sent home because of behavioral problems will NOT be entitled to any refund of fees.

➤ **Inclement Weather:** If it is raining, we proceed at camp as normal unless there are heavy downpours and/or thundering and lightning. At that time, a Camp Director will make a decision on how best to proceed following all emergency protocols per YMCA Camp Campbell Gard guidelines. (Policy/procedure dictates that we wait a ½ hour after each strike of lightning and/or thunder before resuming regularly scheduled camp activities).

PLEASE READ THE ENTIRE "BED BUG LETTER" ATTACHED TO EMAIL WITH CONFIRMATION PACKET

Please label ALL items brought to camp in permanent marker with your Camper's first and last name.

Do not pack anything that you value - clothing WILL get dirty and muddy.

YMCA Camp Campbell Gard is NOT responsible for lost or stolen personal items.

Please note that our Counselors will remind children to apply Sunscreen/Insect Repellent, but may only assist them if written permission has been given on the Health Information Form.

United by our mission and values, our caring and nurturing camp staff will support your child in developing:

- ✓ **Self-Respect and Self-Confidence**
- ✓ **Independence and Responsibility**
- ✓ **Friendships and Social Skills**
- ✓ **Teamwork and Community Living Skills**

➤ **How You Can Prevent Homesickness**

Homesickness is the norm for children - not the exception. A recent study showed that 83% of campers have some feelings of homesickness while at camp. The good news is that homesickness is highly preventable, and you can take steps now to prepare your child for camp.

Check out these tips:

- Arrange practice time away from home, such as a long weekend at a friend’s house.
- Visit camp ahead of time to familiarize your child with the cabins and surroundings.
- Call the Camp Office about our Open Houses.
- Arrange for your child to attend camp with a friend or relative.
- DO NOT tell your child in advance that you will “rescue” them from camp if they do not like it! Just reassure them that they will be fine.
- Discuss with your child what camp will be like. Role play anticipated situations, such as how to make new friends.
- Acknowledge your child’s feelings. Say things like, “We’re going to miss you, but we know that you’re going to have a great time!”
- Send a letter or care package to arrive on the first day of camp. Refer back to the section on “Mail & Care Packages.”
- Allow your child to pack a favorite stuffed animal and/or photo so that they have a reminder of home.
- Resist the urge to call or visit your child at camp - these actions tend to increase feelings of homesickness.
- If you have concerns, call the Camp Director to obtain his perception of your child’s adjustment.

Survival 2017 Expedition CIT 2017 Expedition

Nature Night/Campout Night

We are excited to announce we are going on a CIT expedition! This will be a team bonding experience to stay at the Tree House campsite at Camp Timber Hill*. In the past we have taken a few teen camps to the site and they've always really enjoyed the experience. Remember, getting there is part of the fun and the experience!

We will canoe from CCG to Rentschler Forest Metropark and then hike to camp Timber Hill from there. We will carry the canoes to the Ranger Station (which is a very short walk from the canoe take out point) and leave them there for the night. The hike is a little less than 2 miles in length. When we get there we will do the traditional nature night routine of cooking dinner and setting up sleeping arrangements.

The picture on the lower right is the Tree House Village we will be staying in. This is an old stock photo received from Timber Hill. The picture to the right (middle) is from a few years ago when CCG Survival Camp was there. The bottom picture shows a ladder to get up to the platforms which is incorrect; they now have stair cases as shown in the picture to the right.

We will be sleeping on a wooden platform so we advise you to bring a camping ground pad (or a yoga mat) to sleep on if you do not like a firm surface.

The camp bus will deliver all of our food, sleeping items and other supplies to Camp Timber Hill. We thought it a bit excessive to have you carry these on your hike!

*Some background for Camp Timber Hill. It used to be a Girl Scout Camp but was acquired by the Butler County Transportation Improvement District in the early 2000's then given to Butler County Metroparks in a land swap in 2005. The park district has been updating the site along with Timber Hill alumni volunteers and Eagle Scout projects. It still feels like a rustic Girl Scout Camp. We chose this location as it is unique and a nice alternative for our campout night while still being relatively close to CCG.
